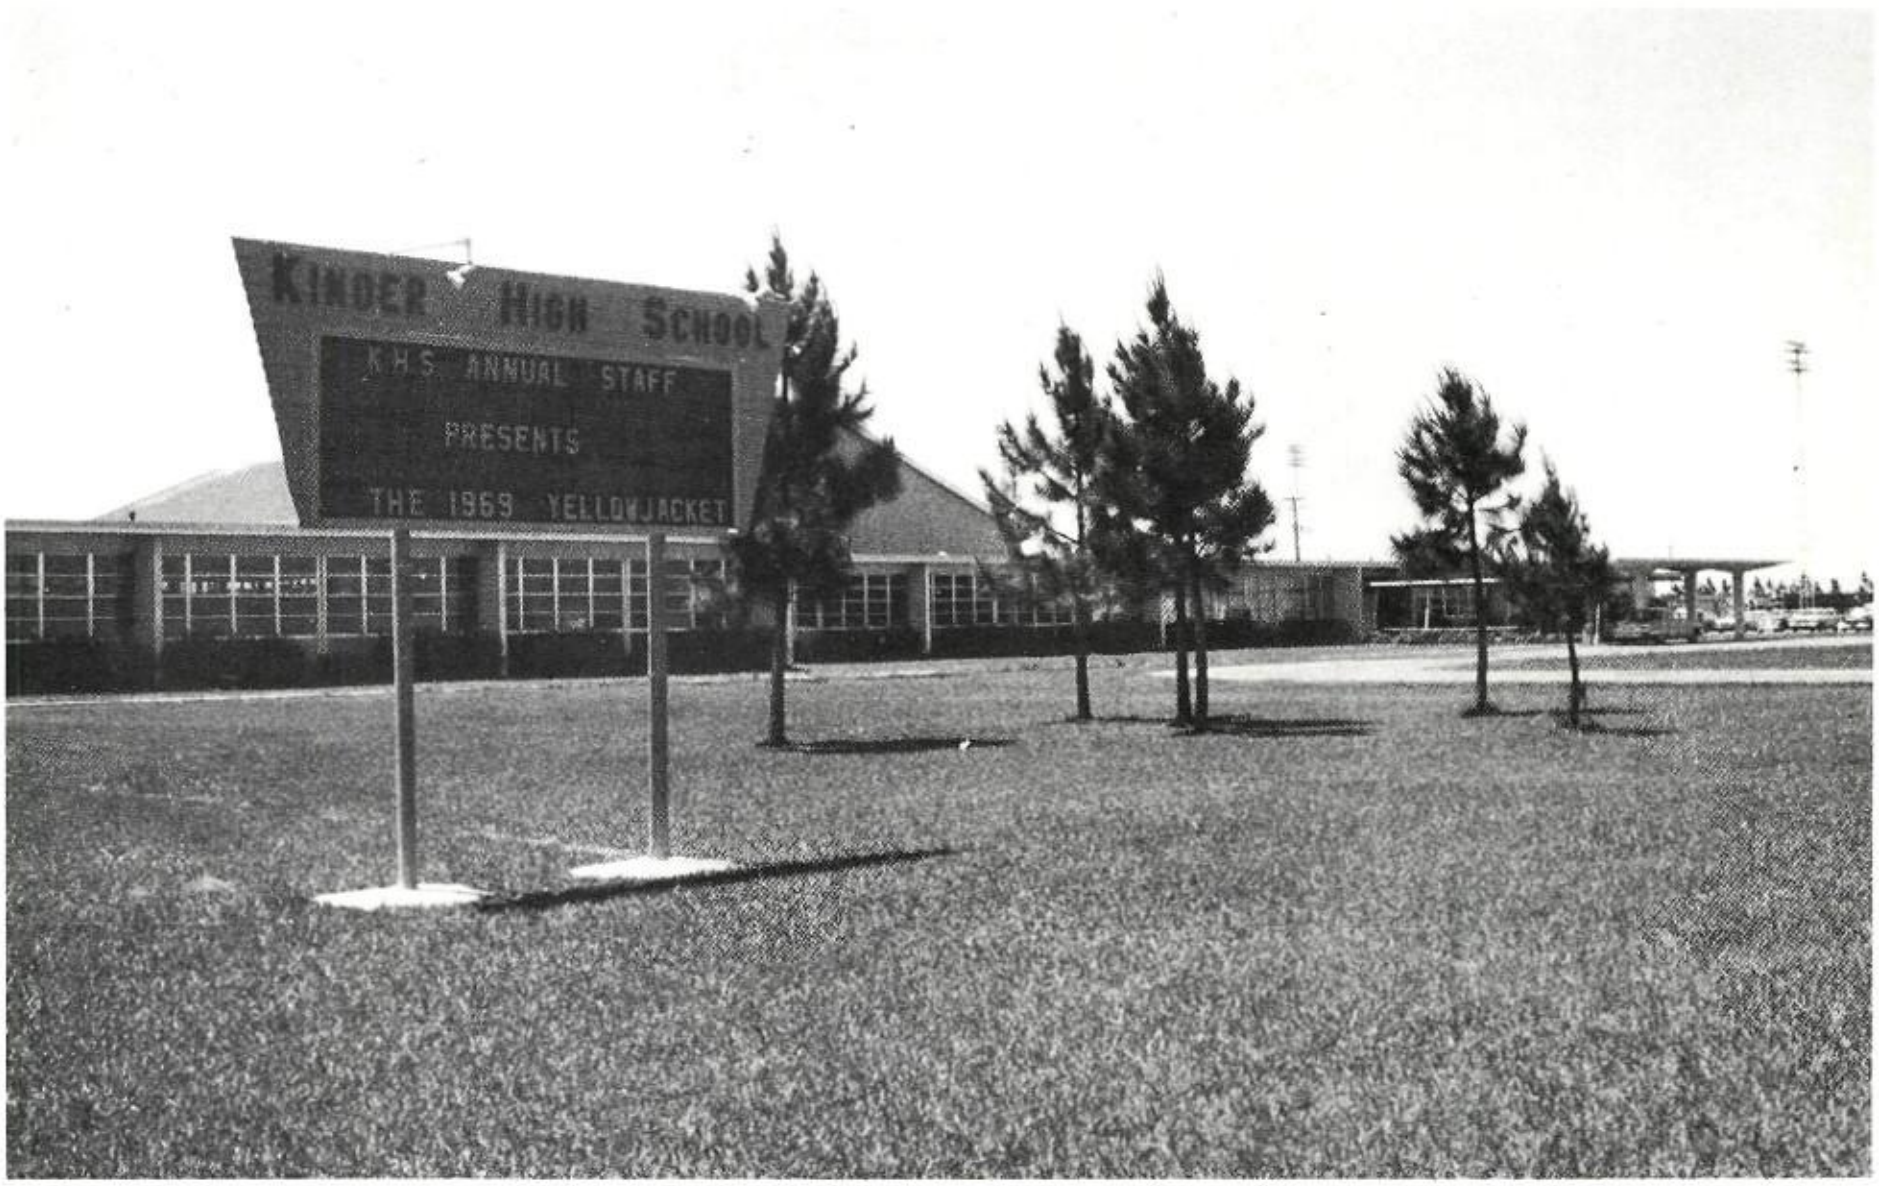
NINETEEN HUNDRED SIXTY-NINE

YELLOW JACKET

1969 YELLOWJACKET

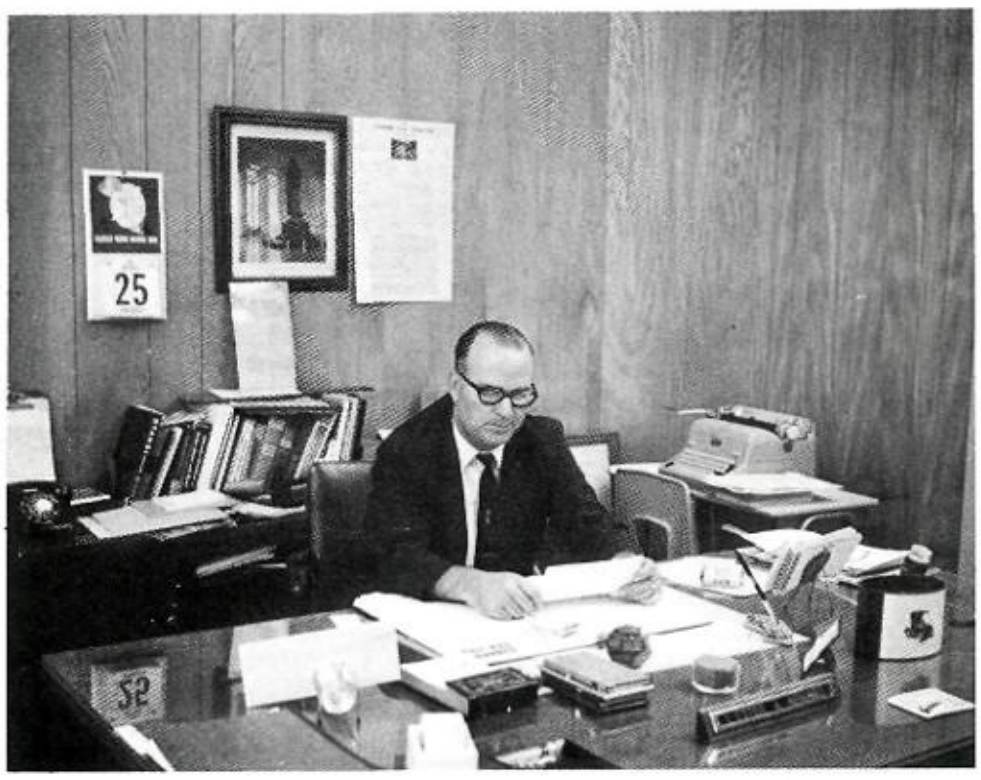
Kinder High School
Kinder, Louisiana



We, the Annual Staff of 1969, present this book as a reminder of the fond memories of our high school years at K. H. S. We hope to have captured the ideals our school strives for, which are education and the American way of life. Now, let us look back ...

Principal

LESTER A. ARMAND



Mr. Armand has a very busy day.

Yet he finds time to chat with students.

The 1969 Annual Staff has dedicated this year's edition of the Yellowjacket to a man who has given up a great deal of his time to better Kinder High School. As Band Director, he has consistently striven for the best. Giving up many hours of his time and working exceptionally hard, he has made the "Marching 100" and the Concert Band fine representatives of Kinder High School.

He has done everything possible to boost the spirit of the football team and has cooperated with everyone concerned with the pep-rallies and football games. He has, also, done fine work with the 4-H Club. Everyone appreciates him for his friendly smile and good humor. So, we dedicate the 1969 Yellowjacket to

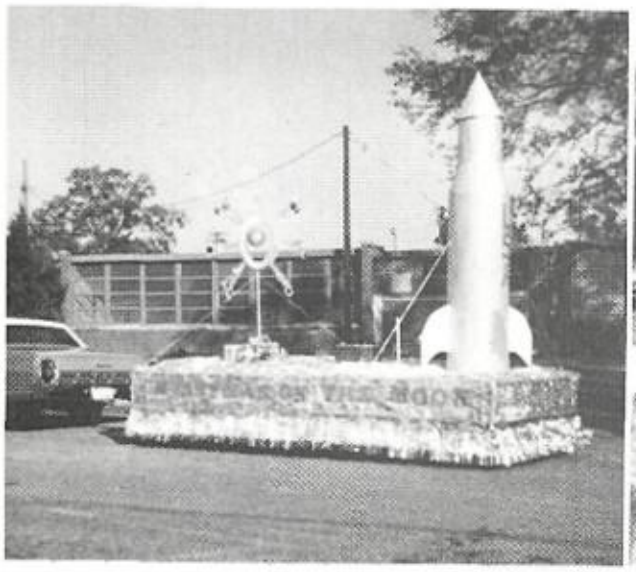
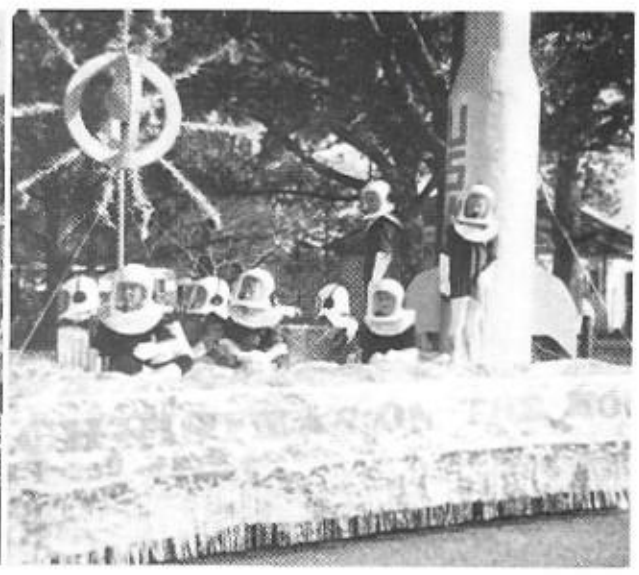
We had a Christmas Parade,





a very good program on America,

and we did lots of other things,

all together making this a FUN year!

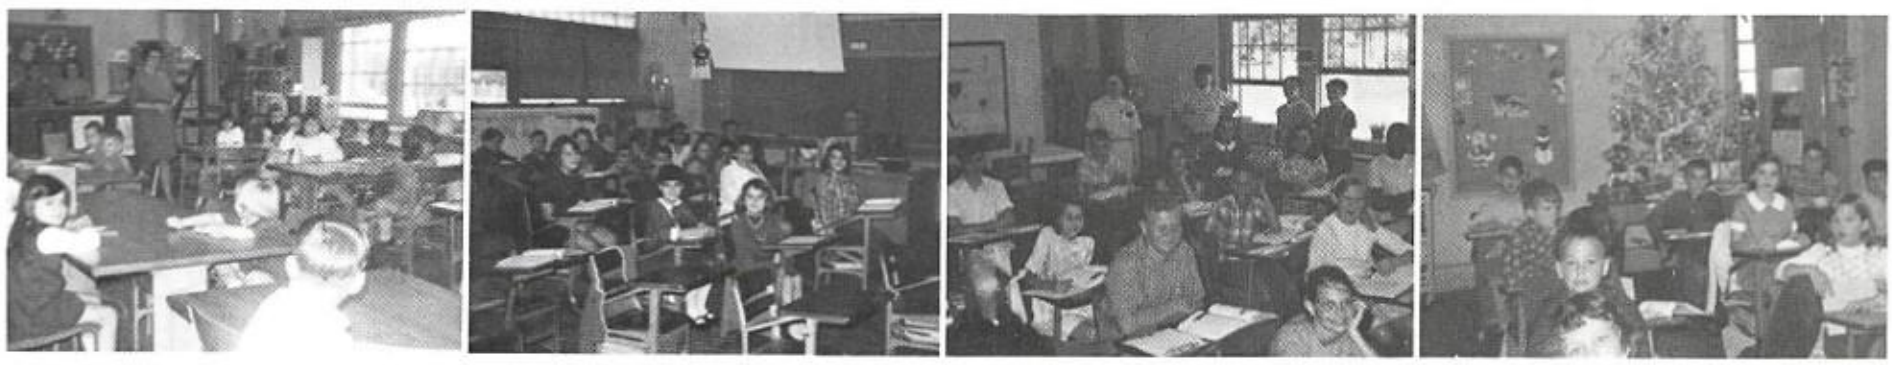
All Work and No Play Makes Dull Children —

so we play ball, join the band and

the 4-H, try our hand at politics,

and then we do our best to be

well-rounded Citizens.



The Second Grade presented a very

interesting program on America from

They sang "By the time I get to Phoenix"

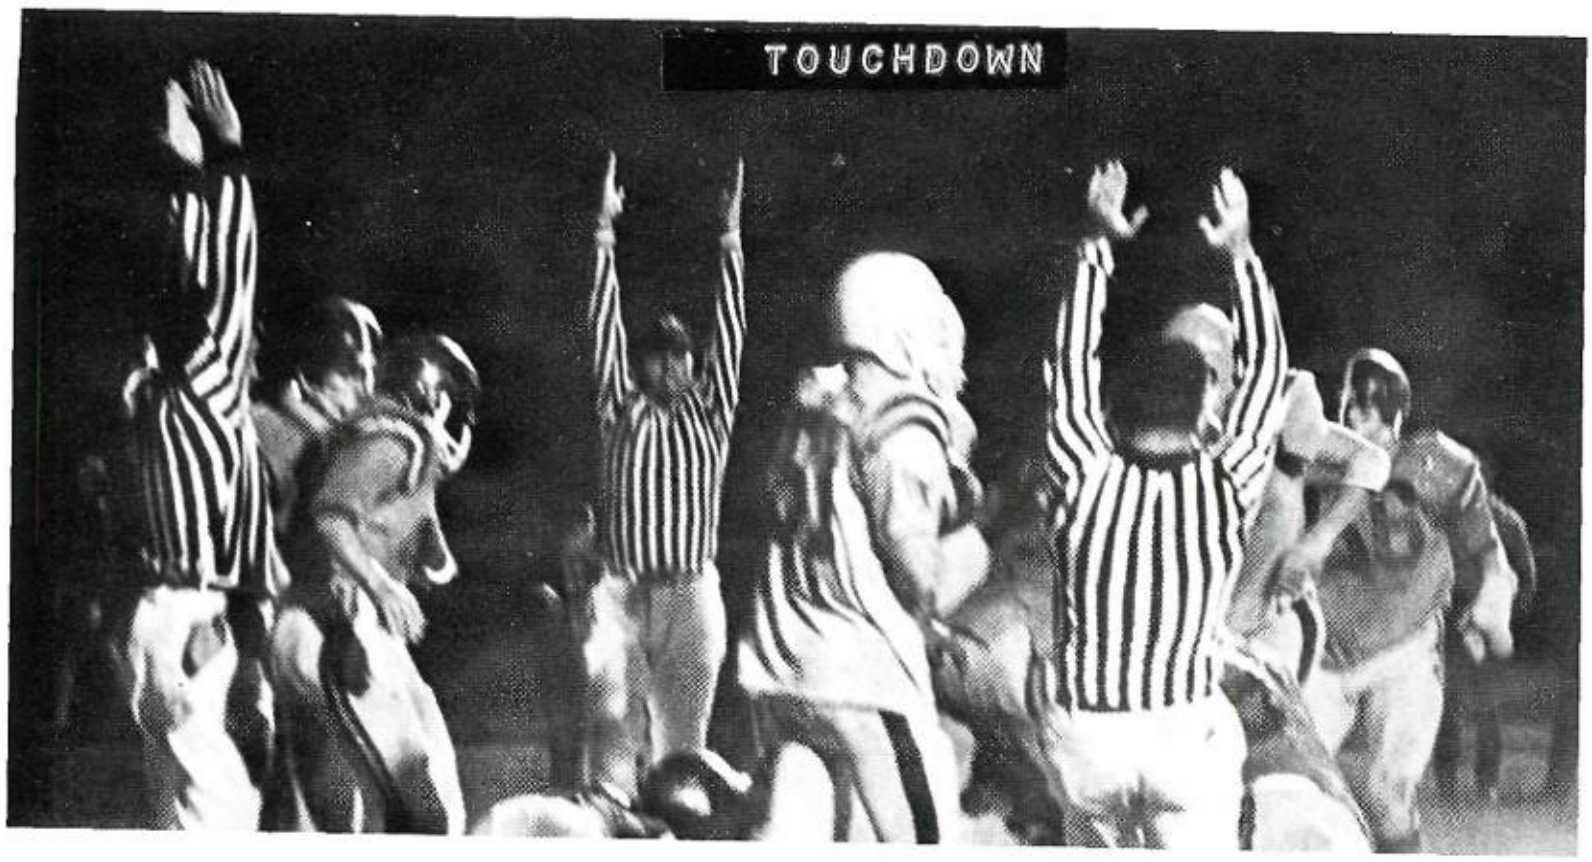
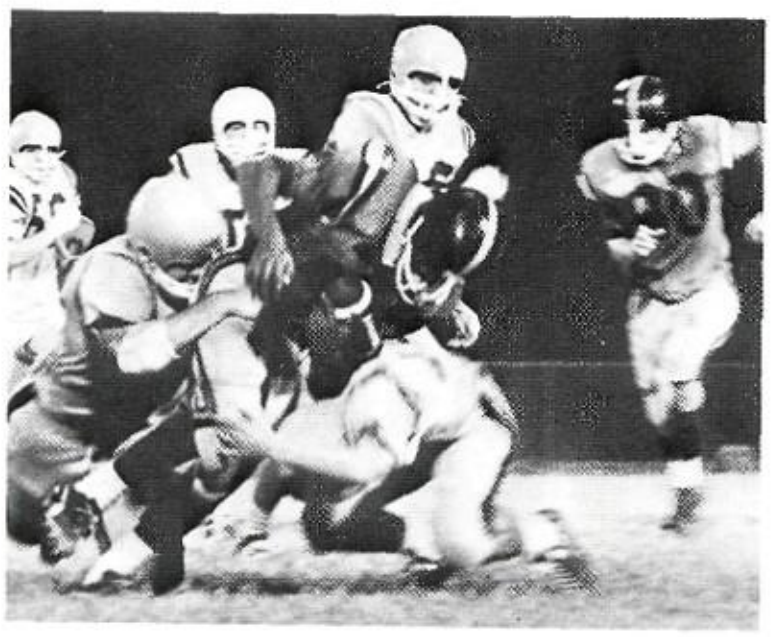
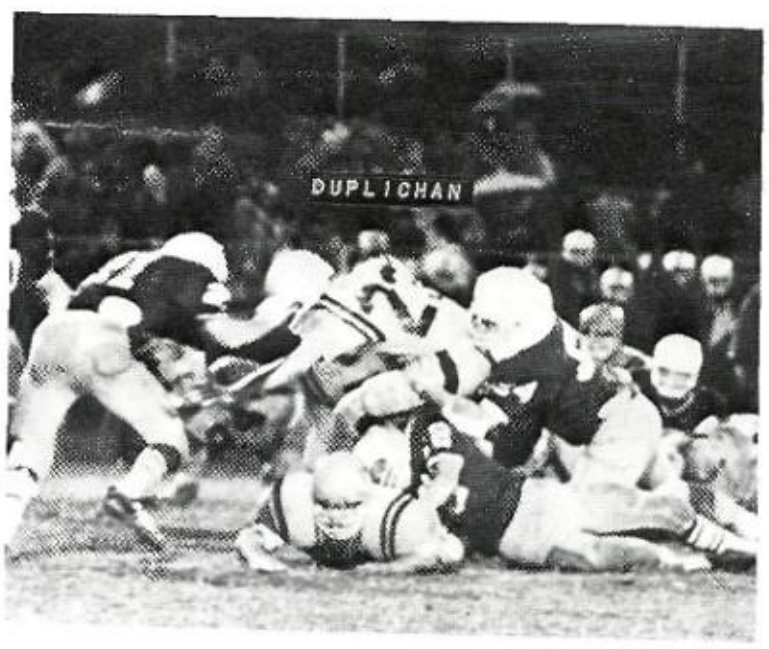
DEFENSE



IT'S UNANIMOUS!

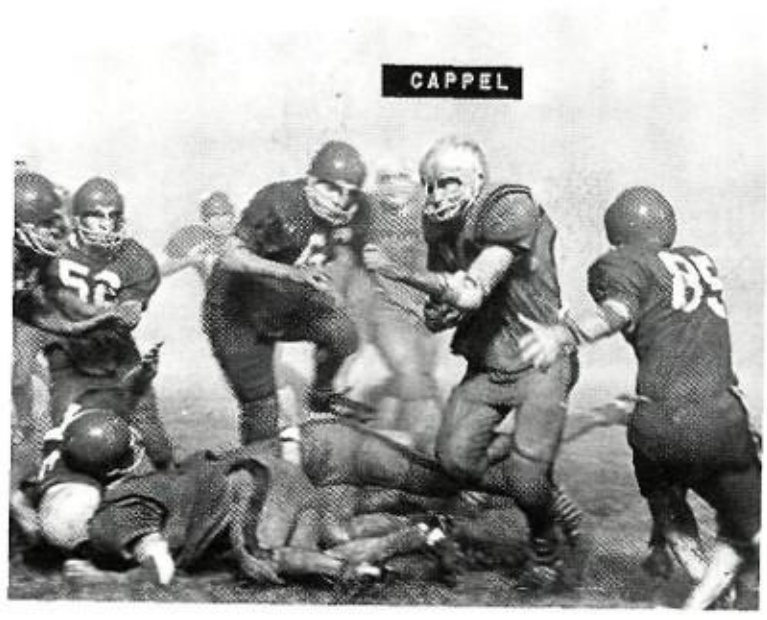


Yellowjacket line at work.

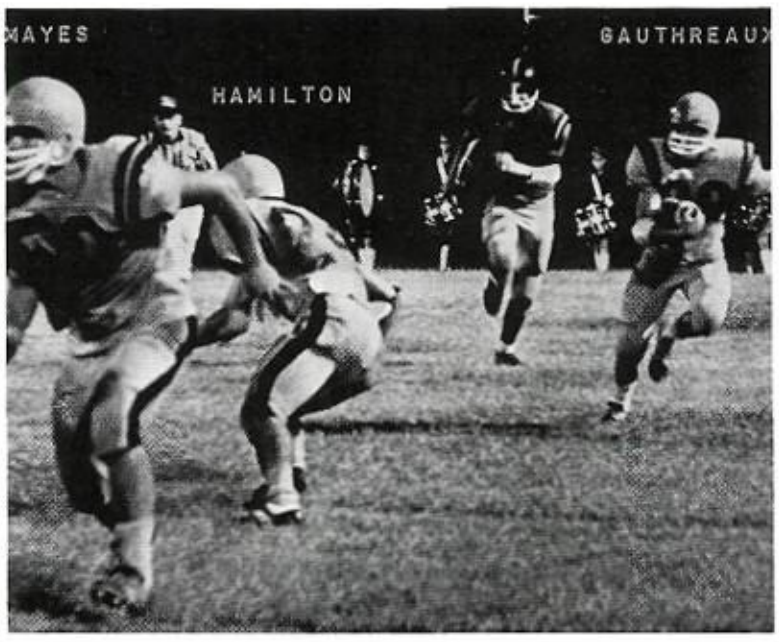


Let me go.

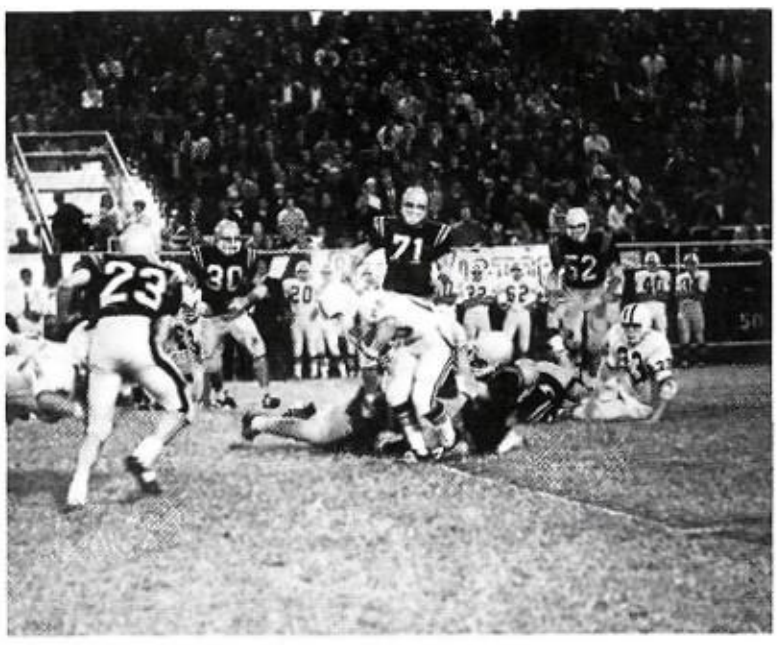
It's all over and we won again.



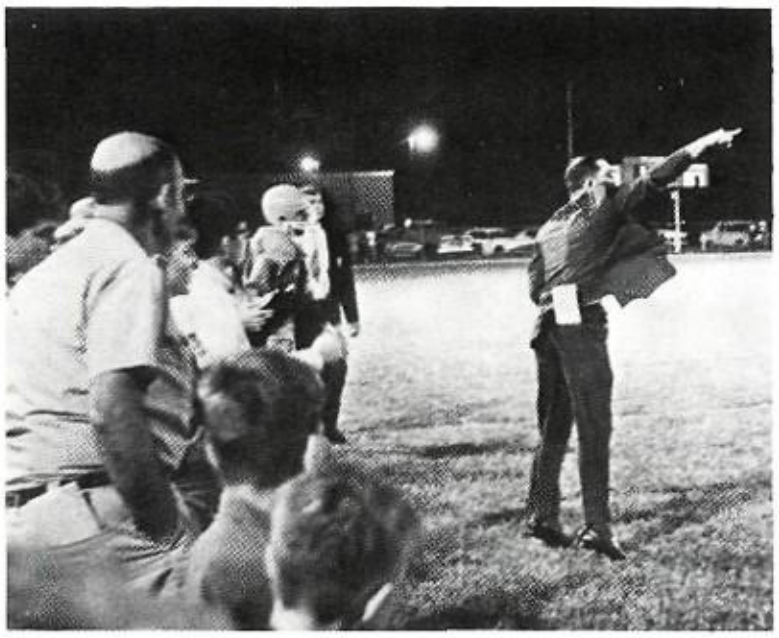
We love to play in the mud.



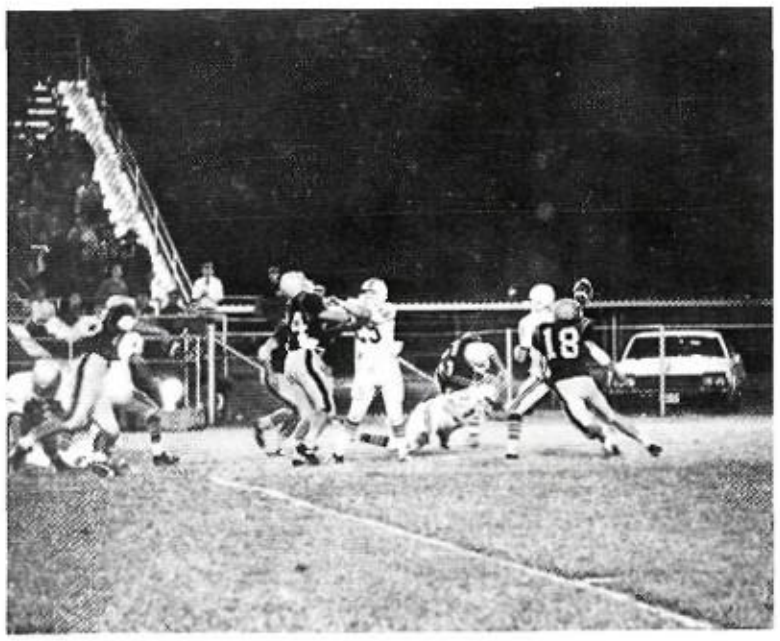
Paul and Dennis block for Murphy.



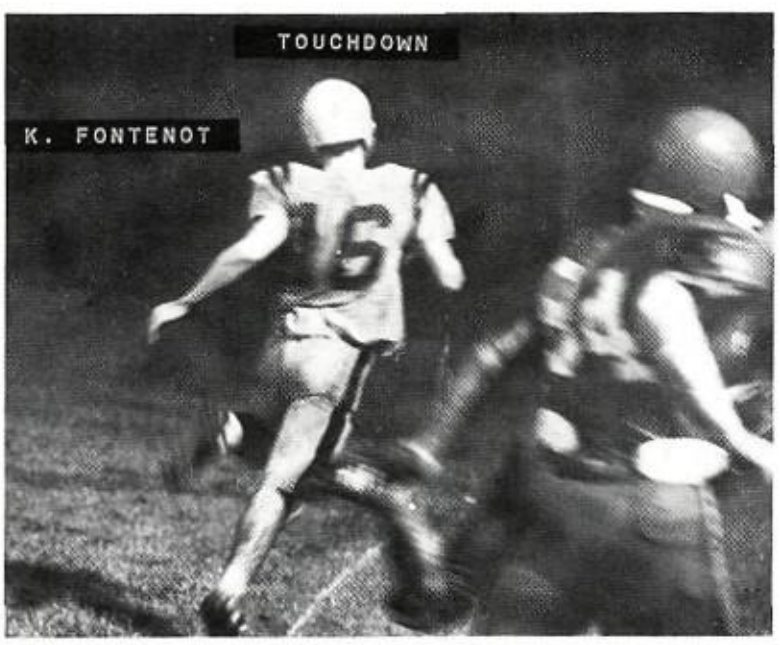
George and Dennis get their man.



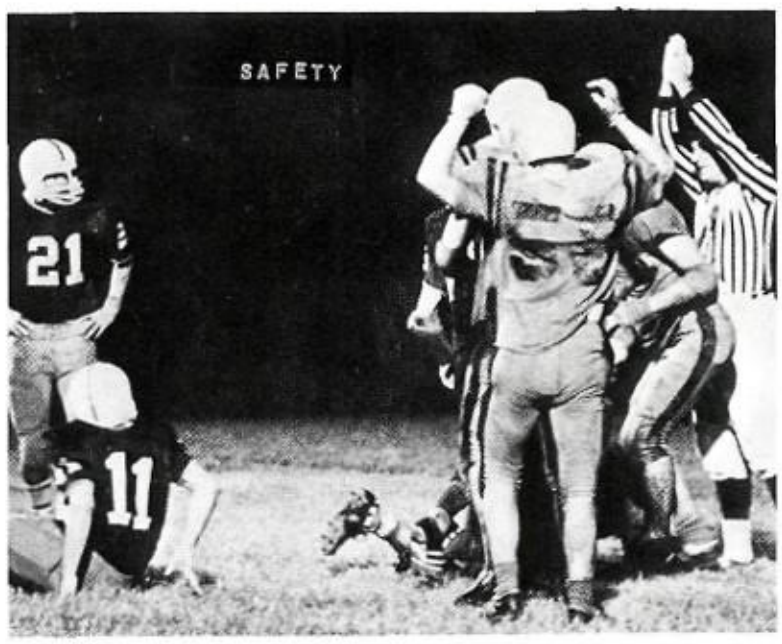
Over there, not that way.



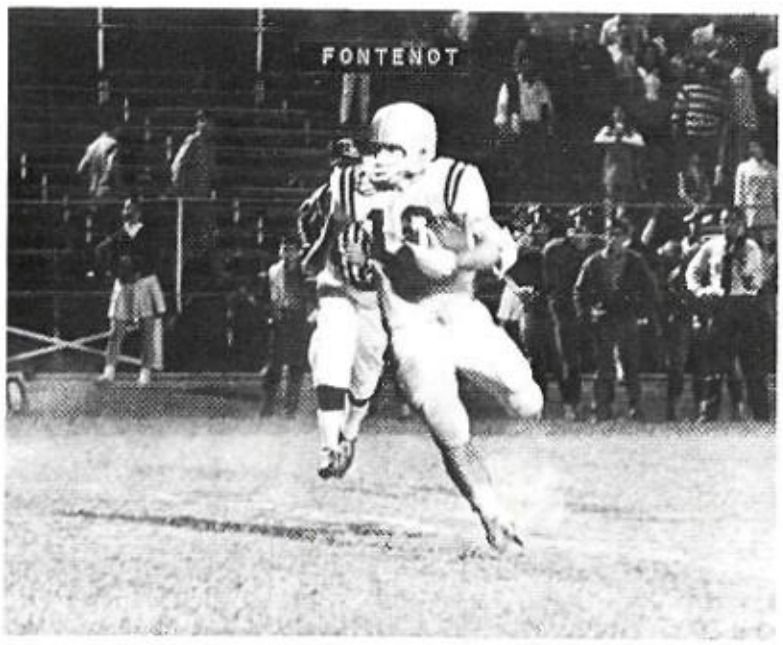
Mike and Tonas didn't let him get away!



TOUCHDOWN! Yea, Ken.



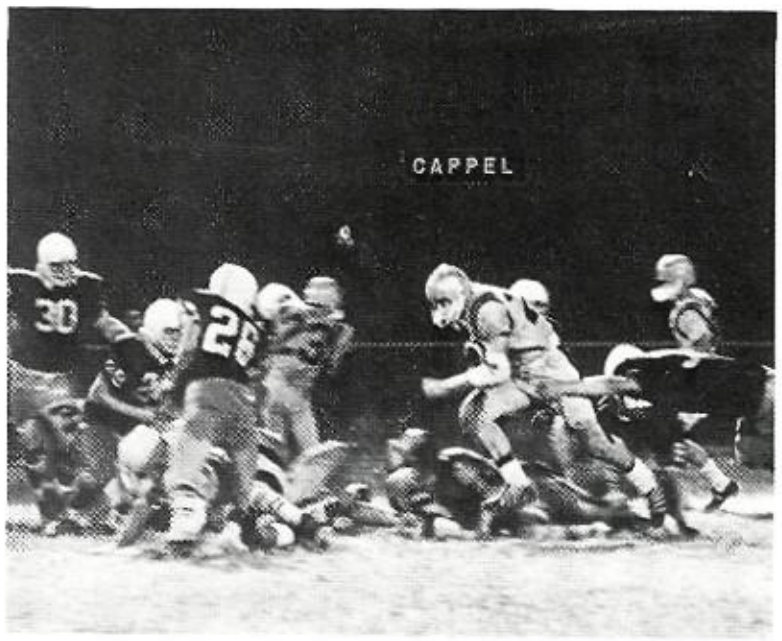
SAFETY! This won the game.



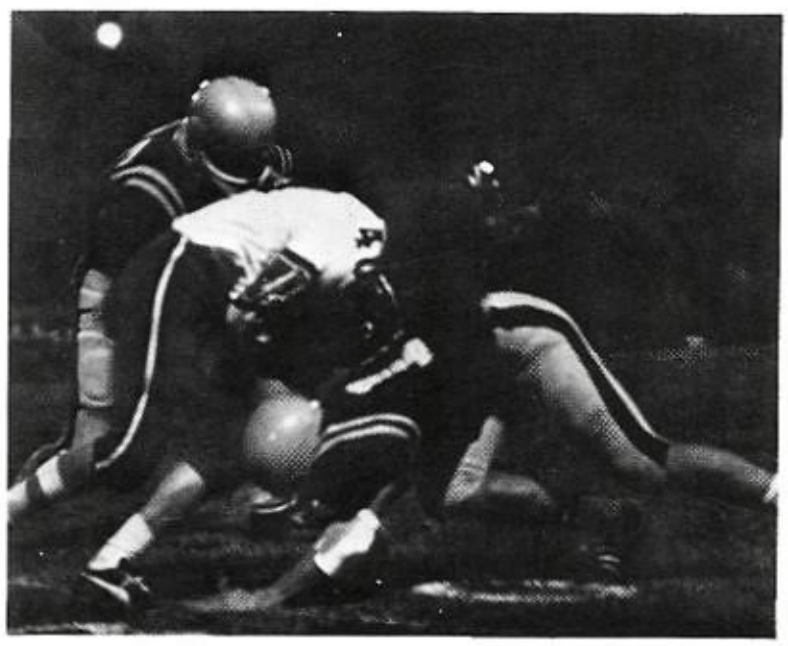
Drew on the move.

Extra point!

Murphy's free and on his way.



Forward, march!

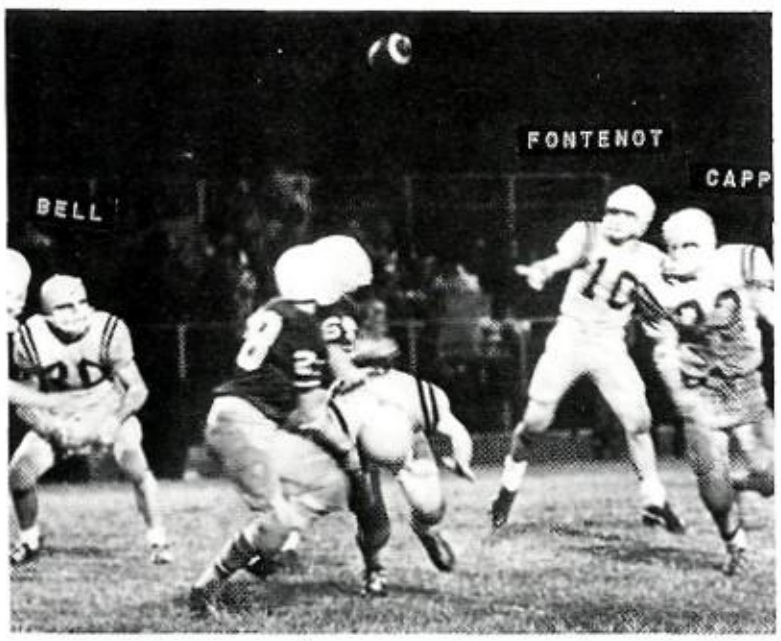


Head-on Collision

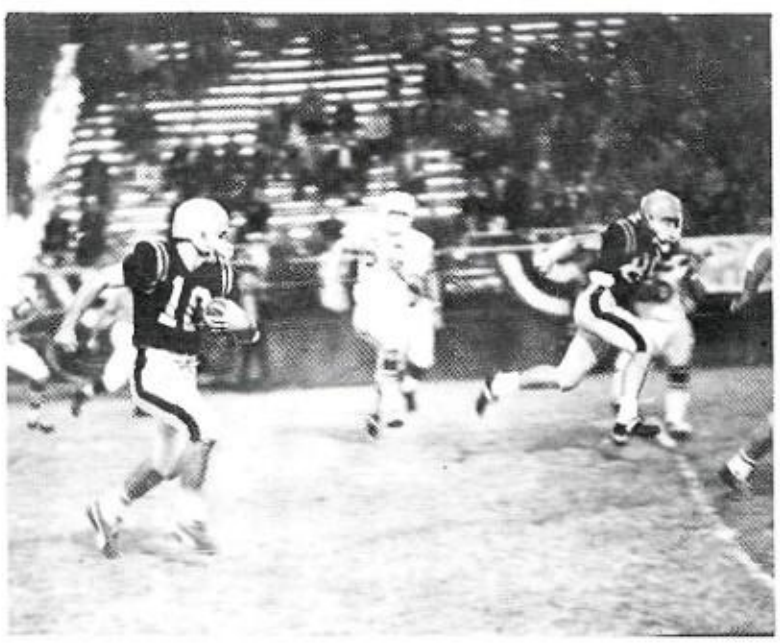
Is this a new dance step?

Jackets get their only score in play-off game.

Let's get a move on -

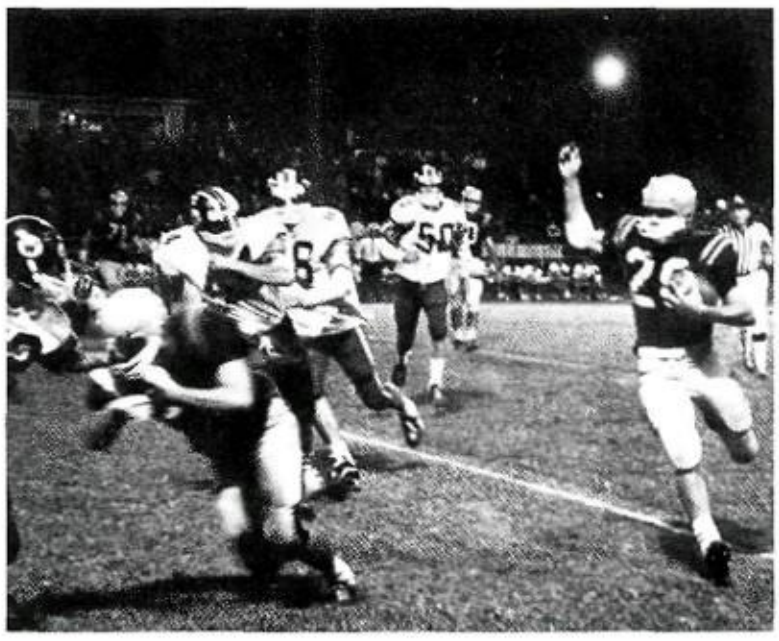


Drew gets good blocking from Scott, Dan, and Lee.



Barry leads interference for Drew.

Dan squeezes through and is on his way.



Murphy gets cornered.
